

Bar Service Agreement

The wedding party must provide all alcoholic beverages. Alcoholic beverages allowed are champagne, white and blush wine, and beer only. **No hard liquor, red wine or beer kegs are allowed on the premises.** Alcohol will be served in accordance with Utah State Liquor laws and regulations. Utah's Dram Shop Law applies.

The bar service fee of \$500 is for two hours of service. An extra hour may be purchased for an additional \$100. (The fee to extend bar service time does not extend the building rental time). A refund check of up to \$200 will be mailed to the signing party within one (1) week of your event if there is no damaged or missing property and if no extra cleanup is necessary. Aspen Landing reserves the right to retain some or all of the damage deposit if expenses due to damage, missing property or cleanup are sustained. If damage in excess of the damage deposit is sustained, the wedding party will be responsible for payment upon receipt of notification of the damage. Aspen Landing will provide a licensed bar tender, glassware and ice. For an additional cost, Aspen Landing can provide your event with additional service items upon request (limes and salt for Corona, strawberries for champagne, etc.) Please inquire with a coordinator for prices.

Service of alcoholic beverages must end one hour prior to the end of your rental. Additional time for either bar service or the use of the building must be purchased in advance. Aspen Landing has a maximum of three (3) hours of bar service.

Aspen Landing's bar service fees do not include gratuity for the bartender, and therefore a tip jar will be put on the bar throughout the service time. If you would prefer to tip on your own as the signing party, please notify the bartender of this before your bar service begins.

Our bartender requires proof of age (I.D.) for all guests of a questionable age partaking in alcoholic beverages, including the bride and groom. We reserve the right to refuse service to anyone.
